

## LOCATION

# JARLAPLAN A STOCKHOLM

Jarlaplan is a well know area in in the borderland between Östermalm and Norrmalm. The area remains mostl residential, but this part host some of the best offices, stores, cafés and restaurants and in recent years have seen an increase in the number of commercial establishments.

This street is a natural walk to between the different districts, but first and most is it an natural walk & car lane to the famous Stureplan. The Mural is located above an old disused petrol station.

## GOOD TO KNOW

The site is 14 x 12,5 meters (WxH) to where the roof goes inwards. Total 21 meter (H).

To paint a mural on this site a special permit is required. Therefore we need to plan each campaign a couple of weeks in advance.

At Jarlaplan you will reach 213 850 people / week.
