

HORNSTULL

240 M²

SITE DESCRIPTION

A vibrant area in what is known as Stockholm's version of Brooklyn. Famous for its Sunday market filled with vintage goods and food trucks. Home to one of the world's best bars and more than a few great restaurants and nightclubs. The mural rises tall above Hornshuset and the square, making sure no one will miss it. Besides all the people regularly moving in the area there is a lot of traffic passing by the site. Hornstull is where all southwest traffic passes to enter the city.
